

ES5460 MFP

OKI
PRINTING SOLUTIONS

**Compact and intelligent MFP
for the busy workgroup**

EXECUTIVE
SERIES

CREATED BY
OKI PRINTING SOLUTIONS

Designed to support and improve business efficiency.

ES5460 MFP is a compact, smart and extremely reliable 4-in-1 device that will integrate seamlessly into any office and network environment, delivering real productivity gains from the word go. A true MFP that is capable of producing vibrant colour and precise mono printing and copying. And dual access allows documents to be faxed or scanned even when the machine is busy.

Built for the serious office workgroup demands, the high quality design and manufacture translates into maximum system uptime, guaranteed through OKI Printing Solutions pioneering technologies and renowned build quality. Exceptional product longevity is a

confident signature with any model from the OKI Executive Series range. ES5460 MFP will continue to provide your business with professional customer facing documents without compromise, performing at the highest level however intense or demanding your business needs are.

Fantastic print quality and performance is complimented with economies and efficiencies way beyond the ordinary. High capacity toners, duplex printing and excellent media handling promise to make the most of your budget and increase productivity for the cost-conscious workgroup.

Key Features and Benefits

Print Quality

Brilliant colour on ordinary office paper

Exceptional quality with real impact, the ES5460 MFP delivers stunning results time after time. ProQ2400 Multi-level technology delivers a greater level of detail and colour depth, always providing you with absolute confidence that your documents will make the right impression. Photo Enhance makes pictures appear rich and vibrant, even on normal office paper; furthermore the Auto Colour Balance feature ensures a consistently high level of output throughout every business day.

Efficient & Reliable

A printer you can trust today and for the future

High capacity toners, duplex printing as standard and paper handling capacities of up to 930 sheets, makes a clear statement for the busiest of workgroups – the ES5460 MFP provides colour that is fast, productive and promotes affordability.

System uptime, minimal user intervention and ultimate reliability are derived from OKI Printing Solutions' proven, single-pass digital LED technology and straight paper path. The ES5460 MFP allows users to focus on core tasks, maximising your business potential.

Multifunctional

Advanced and easy to use print, copy, scan and fax in a single and compact device

Ease of use is synonymous with the ES5460 MFP, direct scanning to the network, email address or even FTP site is facilitated without the need for additional software.

The embedded LDAP feature allows integration of this device with a directory server to search contact and email data easily, saving you valuable time and improving the speed of scanned document delivery.

An integral analogue fax provides simple and quick communication to popular numbers with one touch operation and speed dial functionality.

Performance

Designed for fast, efficient working

Whatever the business document being produced – presentations, colour charts, or text documents, users can always expect to receive fast quality colour prints and copies at 20ppm and sharp mono output at 32ppm. Exceptional print speeds are reinforced with system multi-tasking capabilities supporting greater productivity for the busiest of workgroups.

Media Flexibility

Be empowered to do more in-house

The ability to handle a variety of media, including business cards, banners of up to 1.2m long and paper up to 203gsm, makes the ES5460 MFP one of the most versatile multifunction products available.

In-the-box software, such as Template Manager 3.0, allows businesses to produce highly professional documents from a suite of pre-designed templates, without the added expense of outsourcing.

Duplex printing reduces paper usage, saving costs and lowering your impact on the environment.

The ES5460 MFP Features at a Glance

	ES5460 MFP
Order number	01245302
